

D  
You're the hope of man,  
A  
The breath of life  
Bm  
You hold my hand  
Em7/G Bm7  
When I feel the crumbling ground  
D  
I will stand  
A  
At sheer cliff's side  
Bm  
I will trust Your plan  
Em7/G A D  
Though I know it's so far down

D  
I choose to praise You  
A  
I choose to praise You  
Bm G A  
When anxious doubts and endless fears surround me  
D  
I choose to praise You  
A  
I choose to praise You  
Bm G A D  
When mighty floods are swirling all around me

D  
And I know its darkest right before the dawn  
Bm  
And I know Your promise I am resting on  
Em  
Your word is truth  
G  
Your word is life  
Bm  
You are the Way  
A Bm Em  
You keep me through the darkest night  
Em  
Your word is truth  
G  
Your word is life  
Bm  
You are the Way  
A  
You keep me through the darkness
